### What is Bubble Tea?

Originating from Taiwan, bubble tea is traditionally a tea-based drink with bōbā (large round balls of tapioca) added. Bōbā is also referred to as “pearl” or “bubbles”; hence the term “bubble tea”. There are many variations of bubble tea. Fire Street Food offers many options. Ask a server for more information, on the different types of bubble tea we offer. They’ll be happy to help!
